ST. LOUIS, June 1, 2015 /PRNewswire/ -- Energizer Holdings, Inc. (NYSE: ENR) ("ParentCo") today announced that the Securities and Exchange Commission ("SEC") has declared effective the Registration Statement on Form 10, as amended ("Form 10") filed by Energizer SpinCo, Inc. ("New Energizer"). New Energizer is the recently-formed holding company for ParentCo's Household Products business, created in connection with the upcoming separation of ParentCo's Household Products and Personal Care businesses. In connection with the separation, ParentCo will be renamed Edgewell Personal Care Company and New Energizer will be renamed Energizer Holdings, Inc.

ParentCo's board of directors has approved the separation of New Energizer and declared a dividend distribution of one share of New Energizer common stock for each share of ParentCo common stock outstanding as of the close of business on June 16, 2015, the record date for the distribution, subject to certain conditions referred to below. ParentCo expects to complete the distribution of New Energizer common stock to its shareholders on July 1, 2015 ("Distribution Date").

The distribution of New Energizer shares will be made in book-entry form and no action or payment by ParentCo shareholders is required to receive New Energizer shares. No physical share certificates of New Energizer will be issued. An information statement containing details of the separation and important information about New Energizer will be mailed to ParentCo shareholders prior to the Distribution Date.

There is currently no market for New Energizer common stock. The New York Stock Exchange ("NYSE") has authorized the listing of New Energizer common stock under the symbol "ENR," subject to official notice of distribution. Trading in New Energizer common stock is expected to begin on a "when issued" basis on June 12, 2015, under the symbol "ENR WI." "When issued" trading of New Energizer common stock will continue until the distribution occurs. New Energizer "when issued" trades will settle after the completion of the distribution.

Beginning on June 12, 2015, and continuing until the occurrence of the distribution, ParentCo expects that ParentCo common stock will trade in two markets on the NYSE: in the "regular-way" market under the symbol "ENR" and in the "ex-distribution" market under the symbol "EPC WI." Shares of ParentCo common stock trading in the "regular-way" market will carry the right to receive shares of New Energizer common stock through the distribution. Shares of ParentCo common stock trading in the "ex-distribution" market will not carry the right to receive New Energizer common stock.

ParentCo shareholders who sell their shares in the "regular-way" market before July 1, 2015 will also be selling their entitlement to receive New Energizer common stock in the distribution. ParentCo shareholders are encouraged to consult with their financial advisors regarding the specific consequences of selling shares of ParentCo common stock on or before July 1, 2015.

On July 1, 2015, "regular-way" trading will commence on the NYSE for New Energizer under the symbol "ENR" and for ParentCo under the symbol "EPC."

The distribution of New Energizer common stock is subject to the satisfaction or waiver of certain conditions including, but not limited to, the completion of an internal reorganization, the receipt of an opinion of tax counsel, the completion of related financing transactions, and the other conditions summarized in the Form 10. The transaction does not require approval from ParentCo shareholders.
